FIRE & EMERGENCY BRIEFING FOR CLIENTS

In the event of an evacuation, BCEC staff will act as fire wardens to assist in the movement of patrons to the designated assembly point located at **South Bank TAFE green park in Glenelg Street** (see above map for directions).

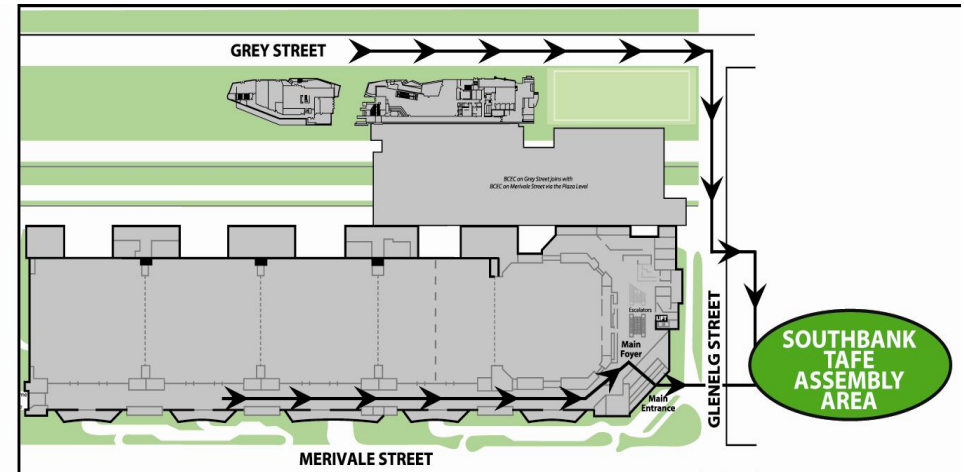

The Centre has two distinct alarms: **ALERT (1st tone)** will sound throughout the building when the fire alarm is activated, or **EVACUATION (2nd tone)** if there is a pending emergency.

FIRST TONE

Alert – BEEP BEEP (Warning)

Should you hear the alert tone please adhere to the following:

- prepare to evacuate
- identify fire exits in your immediate area
- await further instructions

Information regarding the situation will be announced by the Chief Fire Warden through the public address system within the Centre or follow staff directions.

SECOND TONE

Evacuation – Whoop Whoop (Emergency)

Should you hear the evacuation tone, please adhere to the following:

- calmly make your way to the nearest emergency exit;
- proceed to the designated assembly point where you will be briefed on the situation;
- do not use lifts; and
- follow staff instructions at all times.

Entry into the building will not occur until permission has been given by the Chief Fire Warden under the direction of the QFRS.

If a fire is discovered at Brisbane Convention & Exhibition Centre:

- Remove persons from the immediate area.
- Alert staff and other nearby occupants - Use a break glass alarm or dial 8 on any in-house telephone.
- Contain the fire by closing doors.
- Extinguish, only if it is safe to do so, and you are confident in the use of the equipment.
