

No Vacancy 2022 - 6m x 6m Island Turnkey Package

**Harry
thehirer®**

Modular booth package

The Denver turnkey booth is a complete modular system with a flush wall finish. Each wall panel is a complete set consisting of an aluminium frame skinned with 3mm PVC. As a complete frame system, there are minimal extrusions resulting in a near-flush wall finish.

Exhibitors are requested to contact Harry the hirer should a wall display be required.

Inclusions

- Central tower feature with digital print panels, as depicted
- 2 x white counter, attached to tower 1mL x 0.5mW x 1mH
- 2 x Custom lockable cupboards with digital print panel
