

No Vacancy 2022 - 3m x 3m Inline Turnkey Package

**Harry
the hirer®**

Modular booth package

The Aspen turnkey booth is a complete modular system with a flush wall finish. Each wall panel is a complete set consisting of an aluminium frame skinned with 3mm PVC. As a complete frame system, there are minimal extrusions resulting in a near-flush wall finish.

Exhibitors are requested to contact Harry the hirer should a wall display be required.

Inclusions

- White counter, attached to wall 1mL x 1mW x 1mH
- 9 x Digital print panels 985mmW x 1362mmH
